Hotel Reviews

Book a room at the **Hotel Orquidea** for your travel to Madeira on business or on holiday. Located in the heart of the island's capital, it offers a wider range of amenities than any other 3 star **Funchal, Madeira** hotel.

The Hotel Orquidea is a large, modern hotel with 76 guest rooms and its own **conference centre**. All accommodations are equipped with **high-speed cable internet** (subject to charges), and there's also a free Wi-Fi access area. Guests can dine at the Villa Mare restaurant, grab a snack at Bar Zero, meet with associates in the lobby lounge, or relax out on the sundeck. The friendly staff provides assistance with room service, car hire, and laundry service.

The hotel is centrally located in Funchal, within walking distance of the Sé Cathedral, or *Cathedral of Funchal*, constructed in the late 15th century of stone and cedar wood. Nearby are the Museum of Sacred Art (*Museu de Arte Sacra*), a natural history museum called the *Museu Municipal*, and the 15th-century mansion called the *Quinta das Cruzes*, with exhibits open to the public and gorgeous landscaped gardens. A slightly longer walk takes you to the open-air market called the *Mercado Dos Lavradores* to the east or the harbour and marina to the west. The Hotel Orquidea is approx. 13.2 km/8.2 miles from Madeira Airport (sometimes called *Funchal Airport*).
